

Planning Advisory Group: report to Walberswick Parish Council

Planning application ref DC/18/2472/FUL

Rippleway, Millfield Road, IP18 6UD

29 June 2018

1 The Planning Advisory Group has no objections to this application.

2 The application is for a single storey extension and internal alterations to form a new kitchen/dining room.

3 The application refers to a large two storey house sitting in a generous plot at the southern end of Millfield Road. The house is in a simple picturesque brick 'thirties' style. Being a fairly small extension, being single storey and within a large leafy garden, the extension is not considered detrimental to the Conservation Area.

4 Two members of the Group declared an interest and absented themselves from this consideration.
