General Conditions for Hirers' Public Liability Extension

If at the time any **claim** arises under this extension the **policyholder** or the **hirer** is, or would be, but for the existence of this extension, entitled to cover under any other insurance, **we** will only pay for any additional amount beyond the amount which would have been payable under such other insurance had this extension not been effected.

49 DAY ONE - NON-ADJUSTABLE (PROPERTY DAMAGE)

The following policy definition is added:

declared value the cost of **reinstatement** of the **buildings** insured at the level of costs applying at the inception of the **period of insurance** (ignoring inflationary factors that may operate subsequently) plus an allowance for:

- the additional costs of **reinstatement**
- professional fees
- debris removal costs

as insured under the Fees extension to the Property Damage section of this policy

You have stated to **us** in writing the **declared value** of the **buildings**, as shown on the schedule, and the premium under section 14 has been calculated accordingly.

At the inception of each **period of insurance**, **you** must notify **us** of the **declared value** of the **buildings** insured.

In the absence of such declaration, **we** will index-link the last amount declared by **you** and the resulting amount shall be taken as the **declared value** for the ensuing **period of insurance**.

In respect of the buildings items shown in the schedule, the underinsurance provisions in the Claims settlement for Property Damage are accordingly deleted and replaced by the following:

UNDERINSURANCE

- when **reinstatement** applies:
if at the time of the **damage**, the **declared value** (by the item in the schedule covering the **buildings** affected) is less than the cost of **reinstatement** (of all the **buildings** to which that **declared value** relates) at the inception of the **period of insurance**, then the amount **we** will pay will be reduced in the same proportion that the said **declared value** bears to the said cost of **reinstatement**.
- when **reinstatement** does not apply:
if at the time of the **damage**, the **declared value** (by the item in the schedule covering the **buildings** affected) is less than the total cost of rebuilding (all the **buildings** to which that **declared value** relates) at the inception of the **period of insurance** to a condition that is equivalent to, or substantially the same as, but not better or more extensive than its condition immediately prior to the **damage**, then the amount **we** will pay will be reduced in the same proportion that the said **declared value** bears to the said total cost of rebuilding.
