

## **Southwold Half Marathon - Sunday 1st March 2026**

I'm just touching base with you following this year's Southwold Half Marathon on Sunday 2<sup>nd</sup> March.

From a Walberswick perspective, we haven't been made aware of any issues, unless any have come directly to the Parish Council? We spoke to several local residents when packing up after the event, who all mentioned that they enjoyed it going through the village and didn't have any concerns with it.

Our aim is for this to become an annual event and we're looking at Sunday 1<sup>st</sup> March as the date in 2026.

Please could we request confirmation from Walberswick Parish Council what you agree to the event going ahead again in 2026, on the same set up as this year's (i.e. the same road closures and times).

Many thanks
