

Walberswick Parish Plan
Report of the Planning Advisory Group to the Annual Parish Meeting

19.04.2018

The Planning Advisory Group (PAG) consists of members of the Planning Working Party with professional experience of planning and architecture. Its brief is to review planning applications referred for consultation by SCDC and to report its observations to the Parish Council. The Council uses the reports at its discretion in responding to the planning authority on behalf of the village.

During the past twelve months, PAG has reviewed fifteen applications, making a total of more than 50 reports submitted to the Parish Council since the scheme's inception in 2014. The reports are posted on the planning website which also gives notice of all planning applications relating to Walberswick as they are published by SCDC.

The members PAG include Paul Bradley, Alan Gomm, Alvin Hunt, Brian Martin, John Nichols and Bill Ungless. Kay Ungless acts as the group's administrator.

Brian Morton was a member of the group until his death earlier this year. His commitment to building conservation and his wide knowledge and experience in the field were much valued and respected.

I'm also sorry to report the resignation last year of Frank Duffy, because of ill health. Frank was a founding member of the Parish Plan Steering Group and the Planning Advisory Group. His intellect and imagination and his commitment to the village made a powerful contribution to the work of these bodies.

John Nichols
Chairman Planning Advisory Group
