

Village Fete Committee

Report to Walberswick APM – May 2022

The planning for the Walberswick village fete, the first for three years is progressing nicely. We have a very good committee and have had many offers of help. Many stallholders have confirmed that they will run their previous stalls and some replacements or alterations have been made. We are not having stalls from people outside the village other than children face painting and donkey rides plus an RNLI stall.

We have replaced James and Jane Darkins, who will be away, for the barbecues with Jonathan Winyard to whom we are most grateful. The fete will be opened by Brian Tibbles and announcer will be Tony Kohn. Lorry Haslegrave will be running the Village Hall kitchen as before. Wayne Haslegrave will manage the collection of all the necessary equipment on the Friday evening and the erecting of stalls etc. on the Saturday. As always we are keeping our fingers crossed for good weather.
