Implementation of Internal Audit Recommendations 2024/25

9 March 2026

There were three recommendations encouraging further action included in the Council's internal audit report for 2024/25, dated 21 May 2025, prepared by Suffolk Association of Local Councils. The following responses and actions were agreed by the Council on 11 June 2025:

It was agreed to approve the changes at the 10 March 2025 meeting to update the public contracts figure from £25,000 to £30,000 (item 18c) to match Council's own Financial Regulations. The Standing Orders provided for the internal audit are correct and include the changes but at the time of the internal audit the changes have yet to be implemented and were not available on the parish council website. Upload the updated Standing Orders to the parish council website.

The Standing Orders approved by the Council at its meeting in March 2025, and subsequently re-approved unchanged in May 2025, were posted on the Policy Statements section of the Council's web site by the Chair in June 2025. This recommendation was therefore implemented in June 2025.
