157/20-21.1 Samphire Cottage, Hidden Lane DC/20/5263/FUL

The application was discussed and it was **AGREED** to **STRONGLY OBJECT** to the application due to the scale, visual amenity and being out of character with the street scene. It was further noted that the development would be visible from the Village Green and would enable a holiday let for six bedrooms and up to ten people.

The application was discussed and the Council did not object to the application.

158/20-21 To agree a response to a consultation on conserving and enhancing the historic environment

There being no requests for revisions or alterations it was also **AGREED** that the report should be submitted with minor presentational changes as the official Parish Council response. Thanks were extended to all members of the Planning Advisory Group for their help in this matter.

Cllr. Bassinette also informed the meeting that a letter was being sent on behalf of local villages to the new Secretary of State for Business to invite him to come to the area to see first hand the impact of the multiple energy developments proposed for our coast. Further to her responsibilities for representing the Council in relation to Sizewell and power development in the area, she would add the Parish Council's name to the letter. All were in agreement with this.
