Suffolk Coastal District Council Local Development Framework

The Suffolk Coastal District Council Local Development Framework Pre-submission Soundness Consultation has now been commenced by the District Council. It is not a normal public consultation, but an opportunity for comments to be made with regard to the soundness and legal compliance of the document with the enabling legislation.

I have received a copy of the documents which can be viewed at my home by prior arrangement, preferably by email. They are also available at www.suffolkcoastal.gov.uk, in local libraries, or at the planning helpdesk of Suffolk Coastal District Council at Melton Hill, Woodbridge.

If you wish to make comments you can do so at <http://suffolkcoastal.jdi-consult.net/ldf/>, or using a representation form obtainable from Suffolk Coastal District Council by post to Melton Hill, Woodbridge, IP12 1AU or email to development.policy@suffolkcoastal.gov.uk. Your comments will be made public. The consultation period ends at 5.15pm on Wednesday 7 March 2012.

The District Council will then proceed towards the Examination in Public of the document.
