29th August, 1993.

P.W. Kett Esq.,  
Chairman,  
Walberswick Parish Council,  
Common Edge,  
Church Lane,  
WALBERSWICK.

Dear Philip,

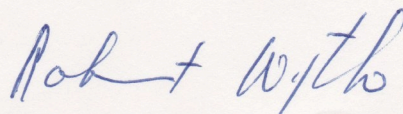

Walberswick Village Recreation Ground.

May I thank you, Keith Webb, and the other members of your Council for the support given to the building of the fence around the village recreation ground, which was completed on 8th August, 1993. Since permission to build it was first requested of, and refused by, our Common Lands Charity, the support of the Parish Council has been firm. Without that consistent support, the fence would never have been built.

The same applies to the work and skill which Keith Webb and yourself gave to the project.

The village has every reason to be grateful to its Council, and I request that this letter may be made a part of your official records.

Yours sincerely,

Robert Wythe,  
President,  
Walberswick United Football Club.
