

Planning Advisory Group: Report to Walberswick Parish Council

Planning Application ref DC/16/2598/FUL
Concord Cottage, The Green, Walberswick

6.07.2016

1 The submission provides details of the materials specified for the proposed extension of the existing garden room, required under condition 3 of the planning consent ref 0686, as follows:

External walls - vertical cedar boarding

Pitched roof - Sarnafil membrane dark grey (lead) finish

External doors, windows and glazed roof - Powder coated aluminium coloured matt black

2 In the opinion of the Planning Advisory Group the materials are suitable for this location in the Conservation Area.
