

Walberswick Village Hall Management Committee.

Chairman's Report

April 2019.

Premises and Equipment.

WI FI was installed in the Hall in September 2018.

Village Hall Car Park.

The grass areas of the car park tend to get very muddy and slippery in prolonged wet weather. We are proposing to improve the surface by installing a grid/ gravel matting . Quotations have been obtained but this project has been put on hold because of the potential of the existing tarmac car park to flood in severe thunder storms.

Flooding of tarmac areas ; This has been caused by rain water not escaping into the existing soakaways situated behind the new storage hut. Anglian Water has inspected and the soakaways contain a build up of mud.Quotations have been obtained from specialist drain clearance firms and we are considering these at the moment.

Dampness in Hall front storage room.

There is a degree of dampness in the small storage room (accessed outside the front doors of the Hall). Measures are being taken to solve this problem.

Floor.

The wooden floor of the Hall has been renovated by sanding and waxing (Spring 2019)

Prints of the Walberswick Scroll.

The beautiful prints of the Scroll, kindly obtained by the Freud family , have been formally donated to the WVHMC (for insurance purposes)

Fund Raising.

£202.16 was raised from festivities celebrating the wedding of the Duke and Duchess of Sussex.

The August family bingo sessions raised a total of £1954.07.

The Village Fete proportion of proceeds was £6,500.

A Pudding Fest in November 2018 raised £385.

Many thanks to the Fund Raising Committee and all other helpers for their hard work .

Personnel

Fiona Hosea left the Committee .We are most grateful to Fiona for her input , ability and hard work. She is much missed.

Her place was taken by Marie Ruth who has been another able and hard working member but Marie has had to resign for personal reasons and so we are on the lookout for another , hopefully young, member to be co-opted on to the Committee.

Finally my thanks to all members of the Committee for their time, hard work and good humour in making this such an enjoyable team to work with

Clive Brynley-Jones.
